

# Marie Roberts-Caney Redskin NEWS

October 2019

The year is moving very quickly. We received our accountability data from last year and we have been awarded a 3-star on the new system. We were very close to being a 4-star school and with students, staff and parents working together I am sure we can attain that status next year. Please continue to read with your children and stress the importance of being at school on time.

Mr. Fugate

## MRC Academic Team

Jacob Fugate, Lily Wilson, Jessica Bowling, Coach Fugate, Jadyn Spurgeon, David Robertson, Gavyn Daniel, Cash Francis, Aiden Combs, Brooklyn Gross, Desirea Campbell, Lisa Strong, Jacob Neace, Aaden Strong, Willie Wagers, Kyle Henson and Cameron Combs

## Keene's 4th Grade Happenings

Our 4th Grade class has been on a rock and we are ready to roll! We ended our Rock and Fossil unit by making waffles, modeling metamorphic rock. Heat & Pressure make a new little treasure!

Students in **Mrs. Taulbee's 5<sup>th</sup> Grade class** did research projects on Native American tribes and create very elaborate replicas of their shelter/villages.

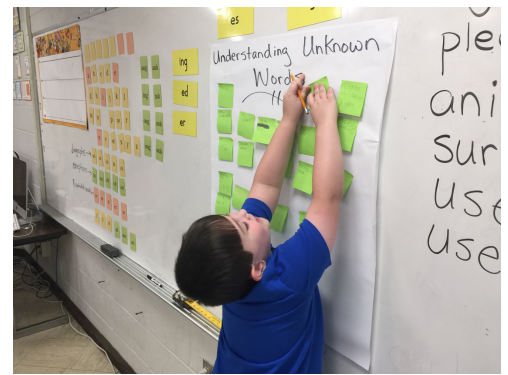

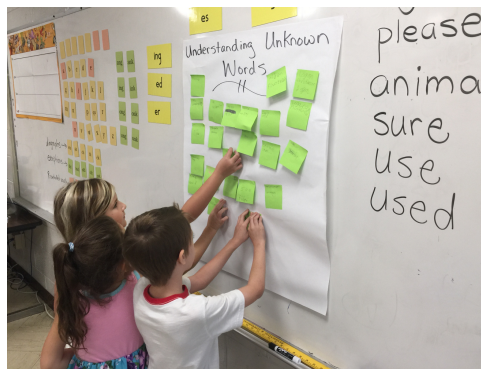

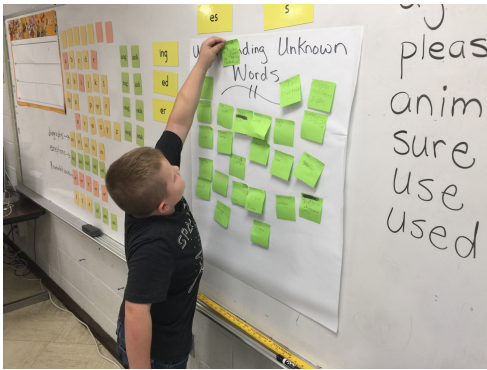

## Thanksgiving Break will be November 25<sup>th</sup> – 29<sup>th</sup>

Marie Roberts-Caney 115 Redskin Run, Lost Creek, KY 41348

### Classroom Activities

Students in **Mrs. Hall's 4<sup>th</sup> Grade class** building edible sedimentary rocks out of layers of graham crackers and frosting.

Students made a chart of unknown words in the story Sky Tree. **Mr. Fugate and his students** discussed the meaning of these words after the class did a book walk and a gallery walk of unknown words. This was followed by reading the text and text discussion.

Students in **Mr. Fugate's 2nd Grade class** have been learning to use the exciting technology of OSMO. OSMO connects to an iPad and "sees" what is in front of it on the table. The students are currently learning how to put tangram shapes together. This is teaching them Geometry, shapes in real-world use, creative thinking, and problem-solving. Plus, it's a LOT of fun!
