## Principal's Message

The school year is quickly passing by. Everyone has been working hard this year, but now it is extremely important that our students are at school every day and ready to learn. Not only do we want our students to be prepared for what lies ahead in life, but we also want them to perform their best on the K-PREP test. We look forward to the next couple of months and the learning that will take place as we inch closer to the end of the year.

### Mr. Alonzo Fugate's Class

Students in Mr. Fugate's class are working on Modules in Wit and Wisdom. Here, one student is finishing up Module 1. The culminating project is a cause-and-effect essay about how hardships in life can transform a person. Students are spending several days discussing, planning, revising, and rewriting their essays. Please come to MRC Redskins Night on April 11th from 5-7 PM. Students will be showcasing work about coping with hardships and The Great Depression.

Upon finishing Module 1 in the Wit and Wisdom reading program, students moved on to Module 2, A Hero's Journey. Students will be studying mythology and how the hero changes over time through adventures.

Students also participated in an on-demand writing scrimmage on Wednesday, March 27th. The event was to allow them to practice and strengthen their writing skills. Students had to plan, draft, and revise a writing about being the first students in a brand-new school.
